

SANI BATHROOM RADIATOR 800 WIFI BLACK

The Sani Bathroom Radiator 800 Wifi Black is a heater with two different modes. The T-Mode (towel) ensures that the towel you put on the heater can heat up to 70 degrees delicious for colder days. The R-Mode (room) you use to heat the bathroom, this setting can be set up to 37 degrees. The heater can be controlled via the Eurom Smart App with Wifi connection, so you no longer have to enter a cold bathroom in the morning.

Thanks to the built-in timer, you enjoy ultimate convenience.
